'Click' has been developed by the team, behind the hugely successful 'Chelsea's Story' (formerly 'Chelsea's Choice'), 'In the Net', 'ToughLove', 'Going to Extremes' & 'CountyLines'.

It is aimed at year 6 students (ahead of transition to secondary school) & raises awareness around digital literacy, online resilience & online safety in a fun & friendly way.

The production lasts for 40 minutes and can be targeted at:-

- **Young people (year 6)**

'Click' is 11 years old and has recently transitioned to secondary school, but there's a bit of a problem. Spending way too much time online & gaming, believing everything, putting up personal information, liking being 'liked' and being unkind to a few people. Click's two friends intervene and try to teach Click how to be safe online, how to use critical thinking & how to have a healthy relationship with the internet.

The play covers:-

- What makes a healthy/unhealthy online relationship
- Awareness of online peer pressure
- Awareness of online marketing pressure
- Safe internet/social media/gaming use
- The importance of keeping personal information safe
- Sharing appropriate/inappropriate content
- Cyber-bullying and the effect it has on others
- What to do if you are being cyber-bullied
- What to do and who to speak to if you have questions or concerns

AlterEgo Creative Solutions Ltd is a not-for-profit social enterprise dedicated to using theatre to inform, to educate & to entertain. As one of the leading educational theatre companies in the country we believe that theatre is an excellent & highly effective tool for raising awareness, conveying information and creating behavioural change in a non-didactic or patronising manner. It has an emotional impact that resonates long after the performance has finished in a way that a talk, an information booklet or a DVD simply cannot achieve.
