

# In the Net

## Part I

### Post-show quiz

#### Question 1

How old is Dotty?

Answer : 7 years old today

#### Question 2

What did Dotty get for her birthday?

Answer : New clothes, a new bike and a brand new iPad

#### Question 3

What did Dotty say she has been doing online?

Answer : She's been playing online games and chatting with all sorts of people that she's never even met. She's made a new best-friend that she doesn't really know, she's put lots of information up about herself and her friends, including a picture of her in her school uniform, she's seen some pictures that upset her and she's been mean online to a girl called Angela Jones and has encouraged her friends to be mean to her too.

#### Question 4

What is the name of the first character that Dotty meets 'In the Net'?

Answer : Icon

#### Question 5

What journey did Dotty get told that she has to go on?

Answer : A journey down the information super-highway to find The Guardian

#### Question 6

What are names of the two baddies that live in the internet?

Answer : Virus and Spam

#### Question 7

How does Virus know what Dotty looks like, where she goes to school, what her favourite foods are and what her friends are called?

Answer : Because she posted pictures of herself online, including pictures in her school uniform, she posted information about her likes and dislikes and she posted information about her friends too.
